

2019 CAMPS

Green Horn Camp

Perfect for the younger camper who is eager to learn and get the basics of horsemanship, riding and safety... spending hours in the saddle.

Mixed _ a combination of...
as we keep the camps small we are able to split groups into appropriate skill levels

Drill Team

Learn to ride your horse to music, stepping to the beat with the riders dressed alike. All moving as one, all loving the challenge and the performance. This camp is a great opportunity to really be in harmony with your horse and teammates. Drill Team is a fun way to grow tons of self-confidence and esteem and spend hours riding.

Gymkhana Camp

All our campers LOVE horse'n around and playing riding games. You've hit the goldmine! Barrels, ribbon race, pole weaving, flag race and more. These campers must have completed a previous camp. This camp is all about learning control, accuracy and harmony through

teamwork with your horse. It's not only great training, but it's a blast.

Jumping camp

This camp is for the rider who is ready to step it up a notch. Campers will get lots of experience learning the basics of riding their horse over a jump. Working up to riding a course.

Campers should bring a sack lunch, we will have juice, water and snacks available.

If weather is appropriate we will swim during lunch breaks....please send towel, sun screen.
